TESTIMONIALS

In an age of global connectedness, Liv's videos, shared through her "mom-monitored" Twitter, Instagram, and Vimeo accounts have taken the world by storm since she began posting in February 2016.

- Cassie J. Brownell
Doctoral candidate and Teacher Education Fellow in the Department of Teacher Education at Michigan State University

Seriously! @thelivbits is awesome! Love the idea of #MentorTeaching and #MyTaiwanTeacher. Such an inspiration!

- Derek Larson
Teacher, Keynote & International Speaker, Southern Utah Educators Conference and Utah Coalition for Educational Technology's Boards

PROFILE

At just 9 years old, Olivia (Liv) has a following of over 15,000 on Twitter. Her vision of developing selfie videos about books, reading and empowering kids by sharing their thinking. These digital shorts titled "LivBits" ignited the world of digital literacy bringing together educators, students, teachers, and authors across the world. She presents to packed venues, sharing her message of the power of power of guided practice as a construct in helping kids navigate social media safely and with positivity.
